

Atrichornis 0007

Across

- 1 Coil NE part of Australian wader (10)
- 9 Megapod sounds like it is back (4)
- 10 A bird which causes a fruity discussion? (6, 4)
- 11 Sounds nourishing for humans but it nourishes many birds! (6)
- 12 Professional ornithologists may perish if they don't (7)
- 15 Food source for some birds – trendy woman (7)
- 16 I leave, dearie, and describe some owls (5)
- 17 Brag about the corvids you've seen (4)
- 18 Even a wing profile of some raptors (4)
- 19 Confess to part-spread mitochondria (5)
- 21 Compose sonnets on where to find brooding birds (2, 5)
- 22 Island nation with a critically endangered dove – a weapon loses the end and gains a finish (7)
- 24 Cattle Egrets do also use this genus! (6)
- 27 Harass end of bird (10)
- 28 Dial up an egg's status description (4)
- 29 Ran saucers around a northern bird (5, 5)

Down

- 2 Very uncommon description for birds within a clear area (4)
- 3 Does a bee-eater nest have light at the end of it? (6)
- 4 Upmarket description of a Freckled Duck or a Spotted Whistling-Duck? (7)
- 5 Island where Elepaios and Amakihis are found and moa hunting may take part (4)
- 6 A bird will perish if it doesn't do this – and perhaps fade too! (3, 4)
- 7 The refrigerator bird? (10)
- 8 Take pity at fair impression of an Indo-Chinese bird with a slight Australian connection (5, 5)
- 12 Allot price for a finch sometimes kept in aviaries – we prefer to see it in the wild (10)
- 13 Tremble after toast to a ground bird (5, 5)
- 14 Digital feature when using binoculars! (5)
- 15 Dance once more and make changes – to your birdlist? (5)
- 19 Move and test what a bird does to its young at the nest (7)
- 20 Conjure sweet nothings because the rail is found lurking, eating snails initially (7)
- 23 Trance-like food source for many birds (6)
- 25 Listen to a variant of 9A (4)
- 26 Sing poorly and put on notice (4)
