Atrichornis 0014

Across

- 1 Dirty swan grabs bamboozled wetland bird (5,9)
- 9 An arch rival seems in peril (7)
- 10 Somewhat embarrassed colour of a Brazilian hermit (7)
- 11 It's positive when dog comes back with nothing captured (4)
- 12 Pad where a bird might sleep? (7-3)
- 14 Tempestuous affair that's good for weavers (6)
- 15 Looked again at bird or manuscript (8)
- 17 More involved with taxidermy? Suffer it dreadfully (8)
- 18 Claws which are partially frontal on some raptors (6)
- 21 Cannon netting could be a p ... parenting problem (10)
- 22 Sounds like we must choose a type of magpie (4)
- 24 Heron at work, and there's its mate! (7)
- 25 Part of a fantail men try to avoid catching (7)
- 26 Carnage at a tree toppling over but a small Brazilian passerine emerges (5,9)

Down

- 1 Express anger at finding this bird of the Americas (7)
- 2 Makes up motive for wood pigeon (6,5-4)
- 3 NSW town strangely says it has Superb Parrots (4)
- 4 Colour often associated with *Zoothera* is found in *Malurus*, *Setophaga* and other genera (6)
- 5 Supported when a peacock walked this way (8)
- 6 Grab guider excitedly on finding Australian parrot (10)
- 7 Turn broiler into weak Australian parrot (7,8)
- 8 It's like a rainforest, he adds mysteriously (6)
- 13 Preen, having faith somehow that evidence of moult will appear (3,7)
- 16 Turn pale before bittern tucker becomes a playground game (4-4)
- 17 Where kids might play a Red-lored Whistler's call (6)
- 19 What some cuckoos do to the peace, causing deranged threats (7)
- 20 Capital place where Turqs are heard and seen (6)
- 23 Parrot-Finch facial feature bill used oddly (4)
