Atrichornis 041

Across

- 1 Dodo, Heron, Ibis around ... is missing a bush bird (6,5)
- 7 Objected somewhat to small seabird (5)
- 8 American woman with account of Afro-Asian passerine (9)
- 10 Guide with two hands was nice change for the Dutch (7)
- 11 A Robin let cars move around (7)
- 12 Light read that's about a photo (5)
- 13 Visual lobe has unusual calico tip (9)
- 16 Sawbill forages and/or goes swimming! (9)
- 18 Primarily Stint habitat on river's edge (5)
- 19 Location unexpected of a Ford! (7)
- 22 Con rang about finding an old Scottish settlement (7)
- 23 Unfortunately I lose part of letters (9)
- 24 Waterbird standing near its pond's edge at first (5)
- 25 The first Greeks rely on travelling to find an African raptor (4,7)

Down

- Hour in car travelling to find Shakespeare's big wind
 (9)
- 2 Breeding season delayed? (7)
- 3 Dam with Grebe on initially becomes shunned (9)
- 4 Macropods, primarily Kangaroos, could be found in Europe (5)
- 5 This lights us up in flat times (7)
- 6 Wimmera town introducing native honeyeaters into likely locations? (5)
- 7 Hoarder goes astray about nothing found in wetlands (6,5)
- 9 Raptor achieving a small success on the golf course?(6,5)
- 14 Twin girls with South American raptors (9)
- 15 Originally that large bird is a small bird (9)
- 17 Send beer around a 12-pack (7)
- 18 Initially rife, *Passer* unfortunately became less common (7)
- 20 Flying without you at first led to affair (5)
- 21 Who doesn't like this alien! (5)
